Maxi Male Washroom **disposal bin**

Hygienically dispose of incontinence waste. The Maxi Male washroom bin is a 45 litre male bin that is ideal for areas that are limited on space, or used less frequently.

Key Features :

- Compact unit for areas with limited space
- Pedal operated
- Fresh unit provided on every service

Size	Capacity	Construction
34cm x 56.5cm x 43cm	45 litres	Polypropylene

Fully Serviced

The Maxi Male washroom bin is provided with a service agreement which is tailored to meet the footfall needs of the site. This incorporates a container exchange so on every visit the in situ unit is exchanged for a clean, sanitised unit.

After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.

Hygienic

The Maxi Male washroom bin is pedal operated, removing the need for hand contact and reducing the risk of cross infection. They are also treated with Envirosan® Active, a safe and effective germicide which incorporates a natural enzyme to combat harmful bacteria and odour.

This reduces bacteria levels by 99.99%, is certi ed against HIV, Hepatitis B and Hepatitis C, and is the only germicide to conform to BS1276 and BS13727.

Practical

Made from strong polypropylene, these units are scratch resistant with a smooth outer finish.

Effcient

The Maxi male washroom bin unit is provided with our 24/7 free emergency product service, helping you deal with unforeseen issues or unexpectedly high visitor numbers.

We're here 24/7 to take your calls, and will carry out an emergency service on the next working day (working days are Monday- Saturday).

Fully Compliant

PHS are fully licensed and compliant with all waste management regulations including Duty of Care.

A full auditable waste trail is provided, offering peace of mind that your sites' waste is being dealt with safely and with respect for the environment.
