

Multi column vend

With an improved consumable range and a larger capacity, the Multi column vend offers flexibility on your chosen consumable, to suit the requirements of your individual business.

With a choice of 5 consumable variations to suit both male and female washrooms, as well as unisex non-washroom locations. The Multi column vend is the ideal vending solution to ensure all your customers' needs are catered for.

Key features:

- Provides a flexible and wide-ranging choice of consumables, to suit your individual business needs
- High security concealed lock, giving additional security and strength
- Strong, tough powder coated steel construction or the highly durable ABS plastic casing, both designed to protect against vandalism
- New range of branded consumables that add value to any environment, available in 5 different configurations
- Provides up to 9 branded consumables
- Modern design with smooth pack dispenser

Size 37cm x 91cm x 21.5cm

Weight 32kg

Operation Battery operated

Fully serviced

The Multi column vend is a fully serviced unit, with **phs** ensuring that it is always fully stocked without any input from your staff. After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.
