

Sharps disposal

➤ Helping your premises stay safe and compliant

Safely dispose of all sharps including hypodermic syringes, scalpels and all medical sharps. Available in a range of capacities, our sharps disposal containers are able to meet all requirements and levels of usage.

Key features

- Approved to UN3291
- Puncture, impact, fluid and solvent resistant
- Highly visible yellow unit with orange or yellow lid in accordance with legislation
- Wall mounted lockable unit available

Compliant and secure

The highly visible yellow units are constructed from durable and hard-wearing polypropylene, are puncture, impact, fluid and solvent resistant and approved to UN3291. The lids are fully lockable and tamper resistant, and available with either yellow or orange lids to ensure waste compliance. Units with orange lids are for the disposal of sharps excluding those contaminated with medicinal products and their residues.

Whereas units with yellow lids are for the disposal of sharps including those contaminated with medicinal products and their residues, including the consignment of waste categorised by the following EWC codes:
18 01 01 / 18 01 03 / 18 01 09 / 18 02 01 / 18 02 02 / 18 02 08.

Fully serviced

All sharps units are provided with a service agreement which is tailored to meet the footfall needs of the site. This incorporates a container exchange so on every visit the in situ unit is exchanged for a new unit.

After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.

Lockable and wall mounted

The wall mounted lockable sharps unit ensures the safe and compliant disposal of all types of medical sharps, including scalpels and hypodermic syringes. With its sturdy metal container and lockable front panel, the unit ensures optimum safety for all users of the area.

Key facts

1.5L (lockable wall unit)	153 x 255 x 125mm	26 x 35mm
0.6L	230 x 95 x 41mm	40 x 90mm
3.75L	218 x 176 x 176mm	45 x 77mm
7L	205 x 248 x 248mm	45 x 77mm
11.5L	250 x 280 x 280mm	78 x 148mm
22L	345 x 330 x 330mm	78 x 148mm
