

Standard Mats

Functional & versatile, standard mats are ideal for heavy traffic areas and buildings where a high level of cleanliness is critical.

The Standard mats range consists of textile mats tufted from a high twist and heat set bi-colour nylon yarn, and comes in 4 contemporary colours to fit all interior design styles. Standard Mats are specially designed to pick up dirt and moisture in heavy traffic areas and buildings where a high level of cleanliness is critical.

Also available as an upgrade to 10 standard Unicolour options, or from a pallet of 150 colours as part of our image/logo mats range.

Key Features :

Standard mats offer the most common & cost effective barrier to dirt & moisture in the majority of office buildings. The versatility of size, shape & colour means there is a standard mat available for virtually all requirements. In addition to the off the shelf colours they can be printed in bespoke colours.

Key Benefits :

Standard mats are great value. There are our most popular mat for regular replacement & servicing. The hard wearing design is ideal for any everyday footfall areas & its colour fast pile ensures it won't fade.
