> How we can help

Regulation 12 Condition of floors and traffic routes

Every Floor in a workplace and the surface of every traffic route in a workplace shall be kept free from obstructions and from any article or substance which may cause a person to slip, trip or fall.

WE CAN HELP

Traditionally, our most in-demand services for the manufacturing sector have included washroom maintenance, floorcare and safety services. Our experts continue to meet the needs of organisations in this sector with a wide range of products and services.

Reduce the risk of slips and trips

- Did you know that slips and trips account for 41% of accidents at work, making them the most common type of workplace injury in UK? **phs** can help your staff to avoid such accidents, providing matting and floorcare to keep your floors cleaner, drier and safer.

Professional washroom maintenance

- phs** can ensure that the washrooms in your business remain clean and well-maintained. Our team will provide everything you need to overcome common washroom issues, from tackling unpleasant odours to providing appropriate sanitary disposal facilities.

A safer place to work

- To remain compliant with the law and ensure the wellbeing of your employees, workplace safety is paramount. **phs** can help you to ensure compliance with legislation and eliminate unnecessary admin by acting as your sole supplier for waste disposal.

Creating healthier environments

- We provide several products that help to reduce the spread of bacteria in small and large space areas. From air purifiers to surface sanitisers, we can help to create a healthier atmosphere in your building.

> Every business wants to save time and money without compromising on the health and safety of the people who work for them.

If you run a manufacturing wholesale business, keeping your premises clean, safe and compliant will not only make your workplace a less hazardous environment – it could also maximise the efficiency of your staff, allowing them to focus on supplying quality products and high levels of service for your customers.

Over **11,300** manufacturing wholesalers already trust **phs** to keep their businesses safe and hygienic. We help manufacturing wholesale businesses by offering tailored solutions to meet the specific needs of their workers.

Did you know?
According to a recent Labour Force Survey, more than 150,000 people spent seven days absent from their job after being injured at work, with an estimated 4.5 million working days lost per year due to workplace injuries.

Healthcare, washroom and floorcare hygiene is our business. We stay on top of all the legislative developments affecting your industry to provide you with expert advice on what you need to do to ensure that your business is legally compliant.

Our professional service drivers provide a discreet and efficient service, calling ahead to check that our servicing times are convenient for your business. And, if any of your products or services need change, we're just a call away and have the flexibility to adapt to whatever is needed.

We're in every geographical area and because we're **Next door. Everywhere**, we are on hand to help wherever you are. And as a single supplier, meeting all your needs, we can help reduce your day-to-day administration commitment as well as your financial costs.

Our wholesale warehouse blueprint shows the most in-demand services that we currently provide to the manufacturing sector.

Adhere to legislation

We will ensure that safety and hygiene at your establishment is handled strictly in line with current legislation and according to best practice guidelines.
