

Eclipse Extra **Disposable Event Unit**

> An efficient and eco-friendly way to dispose of sanitary waste at events.

The Eclipse Extra Disposable Event Unit is an easily constructed sanitary disposal unit designed for one-off use at events. The units are dispatched as flatpack boxes, allowing for compact storage before use. A one-off waste collection will be arranged for a date of your choosing, providing a fuss-free and hygienic solution.

KEY FEATURES

- Flatpack units that can be constructed in less than a minute.
- A one-off service, no ongoing contract.
- No need to clean units or replace liner bags.
- Made from recycled cardboard.
- Safely disposed of by **phs** technicians.
- The unit has been coated, giving it a liquid resistant layer that stops any leaks and seepage.

BENEFITS

- A one-off service, **phs** will deliver the boxes and collect used units at an agreed upon date.
- Delivered as flatpack boxes which can be easily constructed, taking up limited storage space before use.
- No cleaning required, boxes are completely disposable and used units will be collected by **phs** technicians.
