

# Clinisafe® ECO LOC Bins

## Clinical Waste Disposal

ECO LOC Bins provide a Hygienic and efficient way to dispose of hazardous waste. With 30L, 50L, and 60L options available.

### Environmental benefits

- The Clinisafe range can help you reduce your carbon footprint, as every container is made from a 30% minimum of low carbon footprint recycled plastic.
- The flap on the top of these units is also 100% recyclable. Helping to reduce the amount of single use plastic your business uses.

### Key features:

- Self-adhesive labels
- Carry handles
- Stackable base and lids
- Large aperture for safe disposal

### Benefits:

- Fully compliant with UN 3291 and ISO 23907-1:2019 standards.
- **phs** will supply you with containers and a tailored disposal service.

### Options available for the following waste streams

Clinisafe ECO LOC Bins, YELLOW lid  
HIGHLY INFECTIOUS SHARPS FOR INCINERATION

Clinisafe ECO LOC Bins, RED lid  
ANATOMICAL WASTE FOR INCINERATION

Clinisafe ECO LOC Bins, PURPLE lid
