

> Sharps Disposal for Cytotoxic and Cytostatic Waste Purple Waste Stream

Safe and secure disposal units with a tailored waste management service. These units are for the disposal of sharps in the purple waste stream.

BENEFITS

- All units are fully compliant with UN 3291 and ISO 23907-1:2019 standards.
- **phs** will supply suitable containers, with a tailored disposal service.

Fully serviced
All waste units from **phs** are provided with a tailored service agreement to ensure safe and compliant waste disposal.
On every service visit, waste is safely taken away for disposal and the in-situ unit is exchanged for a new unit.

Compliant and secure
Made from durable material, and fully compliant with UN 3291 and ISO 23907-1:2019 standards.

Environmental benefits
This disposal unit can help you reduce your carbon footprint, as every container is made from up to 100% recycled material.

Size	Product Weight(g)	Product Dimensions (mm)		
		Height	Width	Length
