

Coffee vend – water cooler mat

➤ Coffee vending machines and water coolers are prime areas where spills occur. Protect your flooring against damage with a dedicated mat solution.

Spills on hard surfaces can cause health and safety problems, while spills on carpets can cause costly permanent damage. Our Coffee vend/water cooler mats protect floors and ensure a safer more hygienic environment for everyone on site.

Coffee vend/water cooler textile mats are tufted from a high twist and heat set bi-colour nylon yarn. Coffee vend/water cooler mats are specially designed to pick up dirt and moisture in heavy traffic areas and buildings where a high level of cleanliness is critical.

Product Specification

Sizes	Single size
Thickness	9mm
Colours	Graphite

Key Features :

Addresses the health & safety risk of spills & drips in front & around drinks dispensers.

Improve presentation in high footfall areas
