

DfE Period Product Scheme

This document highlights the available products on the scheme, from towels to tampons and reusable products.

Sanitary Towels

Always Ultra Sanitary Towel

Thanks to a super absorbent core with InstantDry System that absorbs wetness in seconds, ALWAYS Ultra Sanitary Towels keep you free from leaks. Plus, Odour Neutralising Technology keeps you feeling confidently fresh all day long, while a Flex & Fit System helps your pad contour to your individual body shape.

Dermatologically tested to be gentle on your skin and approved by the Skin Health Alliance, 3mm thin ALWAYS Ultra Sanitary Towels help you stay confident and comfortable during your menstrual cycle.

Available in: Long, Normal Plus and Without Wings.

Lil-Lets Essentials Panty Liners

The Lil-Lets essential liners can be used daily to keep you feeling fresh and are perfect for use at the start and end of your period when your flow is light or you have spotting.

Pack of 50

Lil-Lets Organic Pads

Lil-Lets Organic Normal pads are with 100% certified organic cotton and keep you feeling fresh and comfortable, whilst also providing brilliant protection against leaks.

Available in: Normal and Night

Supermarket Generic Sanitary Pads

Produced by category experts, these supermarket brands are available in up to 3 absorbencies. These pads are body shaped for maximum comfort, whilst the side channels protect against leakage and provide added confidence and security.

These supermarket brands are manufactured by category experts for the UK's largest retailers. They are produced in line with rigorous pre-market requirements from accredited manufacturing sites which are regularly audited by governing bodies. Site accreditations include BRC, SMETA and ISO 13485.

Available in: Regular Day, Super/Long Day and Night

Tampons

Lil-lets Non Applicator Tampons

Lil-Lets SmartFit™ Non-Applicator Regular tampons gently expand all the way round for great comfort, fit and protection against leaks.

The absorbency string is coloured for easy identification in your bag or purse. 100% bleach and fragrance free, with a 100% plant-based absorbent core and wrapper.

This is a great way to reduce plastic usage, as there are no plastic applicators. Super smooth for easy insertion.

Available in: Light, Regular, Super and Super Plus

Lil-Lets Organic Non Applicator Tampons

Lil-Lets Organic Non-Applicator Regular tampons are made with 100% organic cotton certified by the UK Soil Association (license DK27667) according to the Global Organic Textile Standard (GOTS).

Wrapped in NatureFlex™, which is made from trees, 100% plastic free and fully biodegradable. Vegan friendly.

Dermatologically tested, no fragrances, dyes or chlorine bleach. Absorbent core and string are totally plastic free.

Available in: Regular, Super and Super Plus

Tampax Compak Tampons

TAMPAX Compak tampons offer protection and discretion during your period. They are free from fragrances and dyes. TAMPAX Compak tampons come with a compact and discreet plastic applicator and a rounded tip for comfortable insertion.

With absorption channels to absorb directly to the core and a protective skirt to help prevent leaks for a worry free period. TAMPAX Compak tampons have been gynaecologically tested. They have also been independently tested for harmful substances by Oeko-Tex.

Trusted leak free protection to let you do whatever you like.

Available in: Regular, Super and Super Plus

Reusable Products

Menstrual Cup

Choice is everything, so if you're looking for sustainable period care, our menstrual cups are a great, reusable alternative to tampons and pads!

Menstrual cups are designed to collect menstrual fluid rather than absorb it. You can wear your cup for 4-8 hours before emptying, cleaning, and reinserting.

Size B/1

Modibodi Period Underwear

Made with organic cotton, the Modibodi Mid Rise Brief has an innovative slim, built-in lining to absorb menstrual fluid and lock it away. The leak-proof design will keep you feeling comfortable, dry and protected all day long.

Modibodi reusable briefs are a complete replacement for single-use, plastic disposables, making them better for our planet, and better for you. Simple to use - wear, rinse, wash, dry, repeat!

Available in size XXS (Size 6) to XXL (Size 18)

Reusable Sanitary Pads

Nora pads from Bloom & Nora make it easy and appealing to switch to reusable sanitary pads. It's the best way to reduce consumption of single use period plastics! Nora pads give the ultimate protection to stay leak free when it's needed most.

Comfortable, sweat free and slimline. When it's time to change, pop them in an Out & About bag and store until it's time to wash. Pads should be changed approx every 4 hours depending on flow.

Available in Mini and Midi

Black 40 Denier Tights

One pair of 40 Denier black tights.
Available in size S/M and M/L
