

# Compact Wall Mounted Baby Changing Table

➤ Provide a sturdy, safe and hygienic baby changing area

A fully equipped and hygienic baby changing area is an absolute necessity for sites that want to attract parents with young children. The Compact Wall Mounted Baby Changing Table provides an ideal fold up solution for smaller spaces.

## KEY FEATURES

- Lockable safety strap
- Can be mounted horizontally or vertically
- A proven anti-microbial surface protection
- Suitable for use by children up to 15kg

## Technical specifications

Size	60cm x 76cm x 17.5cm
Construction	High density polypropylene
Important Safety Information	This product should be installed away from strong heat sources

## Practical

The compact baby changing table is ergonomically designed to save space, and can be easily used by either left or right handed users.

The safety belt has a tamper proof snap fit closure which adheres to BS 6684: 1989 to ensure safe use, whilst the tough high-density polypropylene construction ensures a smooth surface which can be easily wiped clean to encourage good hygiene.

## Hygienic

For maximum hygiene, the compact baby changing table incorporates antibacterial surface protection which is proven to reduce the spread of pathogenic germs such as E.coli, MRSA and Salmonella.
