

Ultra vend

➤ Providing washroom vending services can help you meet the emergency needs of your staff and customers...

...without them having to leave your premises for their purchase. The Ultra vend provides essential products for both male and female washrooms, and is ideal for high traffic areas that may be prone to vandalism.

Key features:

- Dual column vend provides two stock lines of branded sanitary or contraceptive products
- Metal vend available in white or silver finish
- Perfect for busy washrooms that may have problems with vandalism, such as transport and retail environments
- Coin reject button if no products available
- Powder-coated steel construction, with high security dual locking system
- Self-contained – no mains wiring

Fully serviced

The Ultra vend is a fully serviced unit, with **phs** ensuring that it is always fully stocked without any input from your staff. After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.
